utmost limit. To insure prompt attention to

customers we shall employ extra salespeople

in the various departments Deliveries will in

all cases be made as promptly as possible.;

Very little need be said about the great sale that begins throughout our establishment to-morrow morning. Even the mos casual glauce at this page full of prices is proof enough that it will be in all respects the most important sale that has taken place in recent years.

A double motive exists. First, the usual sound business reasons that prompt every careful merchant to close out stock at this season. Second, the urgent necessity on our part to prepare for the opening of our

The goods are all of best makes-new, stylish, seasonable, perfect. The prices are lower than they can be bought at wholesale in the biggest kind of lots.
